Jewellery

If you are looking for an engagement or wedding ring or a stunning precious ring for a special occasion then this is a brilliant opportunity to pop in and we can talk you through your options. We can look at the different metals and precious stones and we have lots of beautiful examples of rings here for you to look at. We will also have new jewellery from Linda MacDonald and Wendy Penrose and some lovely splashes of colour from Culture Mix.

Romantic Stuff

We will have inspiring artwork from Coulson Macleod, Freya Ete, Mary Fellows and Helen Rhodes. Get ready for some heady smells from our scented candles, including Love & Peace and Tahitian Vanilla & Chilli Pepper – yum!!! We'll be all candle-tastic with lots of romantic t-light holders for the house and the garden from Luna Lighting and Nkuku. Robert Goldsmith's sumptuous, deep blues & reds heart pottery will still be available, along with gorgeous fused glass coasters from Lara Aldridge.

Framing

As always we're delighted to receive all your fantastic pieces of work for framing. If you got a beautiful picture for Christmas or have some gorgeous photos of your children that you've been meaning to frame for ages why not bring them in and we'll give you a quote. Having done masses of family photos over the past few weeks I can assure you that it's worth it – they look really fabulous.
