Saturday April 2nd 2011

Paul Gunn is our Artist of the Month for April which I know will be pretty exciting for many of you. Due to his enchanting Norfolk coastal paintings Paul has become one of our best selling artists. If you haven't started collecting his work yet, look out we've got some corkers – you'll be hooked!

The light in Paul's paintings is centred around different times of the day. You can almost feel the chill of a winter's evening, the blistering heat of the midday summer sun and the cool freshness of a spring morning. For me, looking at one of his paintings instils a feeling of calmness and serenity which is a joy; my own little oasis in a busy life of hustle and bustle.

Please join us on Saturday 2<sup>nd</sup> April or pop in over the following weeks to enjoy Paul's fabulous paintings. There is a live link to Paul's webpage now from the [Events](#) page on our website.

### New Jewellery

I know it has been a long wait for some, but our new delivery of Culture Mix jewellery is now here. Prices start at £8.50 so it's very affordable as well as being very pretty.
